Iran Cooperation Program: Grant Confirmation (copy for partner university)

Dear Professor Rühli,
Dear Professor Sari,
Dear Professor Mowlavi,

We are pleased to inform you that the Iran Cooperation Program awards a grant for the following joint summer school with Tehran University of Medical Sciences:

Project Title: Evolutionary medicine and new perspectives on human health and disease
Main Applicant at UZH: Frank Rühli, Institute of Evolutionary Medicine UZH
Project Partner at TUMS: Gholamreza Mowlavi, Department of Medical Parasitology and Mycology, School of Public Health Department of Immunology, Tehran University of Medical Sciences (TUMS)
Max. Grant: CHF 15'000 (of which max. CHF 3000 for travel and accommodation costs of TUMS students and max. CHF 1000 for material/catering costs; the remaining sum must be spent for travel and accommodation costs of UZH staff and students according to the submitted budget)
Duration & Venue: 5 days in the first quarter of 2020 at TUMS Campus at Kish Island, Iran

The grant sum will be paid in two installments to the Institute of Evolutionary Medicine UZH. The first installment of 50% of the maximum grant sum can be claimed by the grant recipient prior to the start of the project. The second installment will be paid after completion of the project and submission of a project report and financial report to irancooperation@int.uzh.ch. Only actual costs up to the maximum granted sum will be reimbursed. The reports have to be submitted to the Coordination Center no later than six weeks after completion of the project.

We wish you great success in conducting the summer school and remain with our best wishes,
